

Welcome to AAMBC

Why Join AAMBC?

AAMBC which stands for African American on the Move Book Club, is a literary source for urban book lovers who crave to be apart of a book club. The fact that we are online based provides the opportunity for readers to meet fellow book lovers who share the same interest. The creator Tamika Newhouse wanted a place where readers could have the author-reader contact. This is why AAMBC created AAMBC Radio, which is a literary radio show allowing readers to get to know the authors that they read.

So why become a member of AAMBC, is to simply become apart of a growing family that's main focus is to promote our readers and our authors. The sites and reading groups are open vicinity for our members to socialize and share great titles. Call your self an AAMBC member by joining today.

What are the benefits?
